Surekha was a cattle grazer, she would wake up early and take the cattle for grazing from morning 7 am to 6 pm and was given insufficient food to eat during the day, she would return home in the evening not to rest but to fetch water and clean all the utensils at the landlord's house and she would return home by 9 pm and go to bed by 10 pm. The reason for her to labor like this is because her dad deserted her and her mother. Her mother along with other kids work in the farm as well in the flesh trade to earn enough Money so as to take care of her three kids.

Due to lack of work in the village, most of the times her mother migrates to other towns to find work, during such times Surekha and her siblings had to live alone in their shack in fear of abuses by drunken landlords and Money lenders. So her life became so miserable that one day while she was coming home, Heard gospel songs from a group of people gathered in house, she barged inside and sat among the crowd and tears began to drop from her eyes, while the others were engrossed in singing worship songs.

Later the pastor spoke to the Surekha, as to how she entered in, she told him that she needed protection from her abusers, and told him that she would never go back to work, then our pastor and the church members assured her that they would protect her and promised to join her in TAL program by which she will be provided food and sent to school.
