For a while she was able to bring sufficient food to the family, as the days gone by her health began to deteriorate, her wages dropped to 50% low, she had no way to seek any help but to force her three children to drop out of school and go to work. In the process her older kid was abused at the work place, her two other children had to work as domestic maids, without going to school. Day after day the future of Tejaswini seems to be getting from bad to worse.

Suddenly her mother she fell and was taken to a government Hospital for treatment, for three months she was in the hospital receiving treatment for V.D. diseases, she had no hope of survival, Tejaswini had to hop between work and hospital, one evening she noticed one of our pastor praying for the sick in the hospital, she could wait for the pastor to come to her mom's bed, she ran to him and begged him to kindly pray for her mom, the pastor prayed for her, she completely recovered within ten days and began to attend church service and Tejaswini too joined her mom to the church regularly and the pastor observing her condition enrolled her in TAL.
