Jyothi's dad did not like her mother conceiving a daughter, he very badly wanted a son, he felt disappointed that he got a daughter, which is why he began to hate Jyothi right from her childhood days and he would beat up his mom, often forcing her to go to her parents house and bring money to clear his debts. Since all his efforts went futile, he quite the house once for all , never to see their face. For years Jyothi has not seen her dad, it is only her mom who has been taking care of her.

Since being a single mom, her job consisted of working 12 hours a day in the farm, her wages were very less and top of it she was being abused in the farm, to get away from her heavy debts plus to protect herself from abusive men, she took her daughter Jyothi to work. Due to harsh treatment by the landlord, jyothe was sent to othe place to work, even here she was not spared from hard work, here the landlady forced her to worship the goddess Laxmi, which is her family god and was forced to apply White insence paste, which she has wet with her fingures and rub it on her forehead, this a sign of Hindu highcaste culture.

Jyoti's mom being gripped in pain and sorrow, was led to the church by one of her neighbor, it was in the church, she heard the gospel from one of our Pastor who is being sponsored by Final Frontiers, who on that day preached on the Love of Christ, she realized how great the love of Christ was towards her, that she knelt down and received Jesus as her personal savior and began to attend Sunday service regularly, but her concern for her daughter was more burdensome, the following week she brought her daughter to the church and also to Sunday school, the landlady who employed Jyothi did not like her going to the church, she immediately threw her out of her house without even paying her wages.

Right now she is staying with our pastor who is praying to enroll her into TAL program.
