Madhuri's mother grew up around the temple, she was not encouraged to go to school, as soon as she attained puberty, she was dedicated as a temple prostitute, she willingly volunteered without any resistance. But to her surprise two years of her service in the temple ended when she suddenly fell ill and gradually was losing her charm.

The temple priest could not pay for her treatment nor recommend her to a good hospital, but washed off his hands by letting her to fend for herself. She did not know what to do then, she wanted to go back to her mother's house, but was not allowed to go, nor did her mother receive her, rather she persuaded to continue to serve goddess Yellamma.

As the days went by, her health did not permit her to continue in prostitution, she developed bleeding and got admitted into a government hospital, where she was being treated. As usual

Final Frontiers supported Pastor went on hospital visiting and was praying for one of his church member, while he was sharing from the Bible, Madhuri's mother who noticed the pastor , jumped out of her bed and rushed to the bed where our pastor was praying, she sat on the floor, while he preached, and begged the pastor to lay his hand and pray for her healing, the pastor shared the gospel with her and prayed for her, after ten days she was discharged from the hospital and went straight to the pastor house and begged him to share more about the Lord Jesus, he invited her to attend Sunday service , which she did and came to know Jesus Christ as her personal savior, from then on she dedicated her life to Jesus and gave up her prostitution and she is eagerly praying for her daughter to be sent to school through TAL program.
