Simon's mother died when he was three years old, his dad was a wife beater and an alcoholic, never would go to work, he would only force his wife to work in the farm and feed him. Which made Simon's mother chose a completely different path for survival, she stepped into the streets to make a living, because she could never lead a peaceful life under her evil husband, who only wanted her to take care of him and provide him money to drink.

She contacted S.T.D. diseases which eventually killed her, once she died, Simon was sent to work in the farm of a local landlord, where he was mistreated, abused and made to work long hours. Unable to bear the load of work in the farm, he ran away from the landlord and came to his village. By then his dad thorough some divine providence came to know Jesus Christ as his personal savior through the ministry of our pastor sponsored by Final Frontiers, once he was fully drunk and could not walk back to his house, our pastor who noticed him led him to his house safely, the next morning, Simon dad, realized how he was helped by a pastor from his village, went to his house

to thank him, at this juncture, our pastor shared the plan of salvation to him, who then received Jesus into his heart. So when he came home, he immediately took him and brought to the pastor, informing him to find some means to educate his son.
