Bhimshi's parents are bonded laborers, each of them are attached to different landlords, for years their contract as not over, because of poverty, they had borrowed loan to pay for their parents sickness and till date they have not cleared their loan. The reason for it is the rate of interest towards the capital is increasing every month. The exploited wages that they receive is barely enough to meet their family needs, as such the capital remains the same.

The impact of the loan affects the kids, who are forced to lead lonely life, while their parents both work in the farm from dawn to dusk and Bhimshi also works to supplement his parents income which is why he is not able to go to school regularly nor able to eat sufficiently. Therefore we request TAL assistance towards the development of Bhimshi future.
