Siddarth comes from a agriculture labor family, where both of his parents are agricultural laborers, they do not get regular work in the farm, as such his dad works as contract labor while his mom works in the farm, which is owned by a money lender who pays her \$ 1.30 for twelve hours of labor.

His dad also is attached to a contactor, who takes him out of town to work in cleaning the water tanks, lakes, digging trenches, though he is paid around \$ 1.75 per day but half of it is deducted towards interest (loan) payment. As such the family is ekeing a miserable living with hardly 1.50 \$ to survice on day to day basis.

Siddarth hardly goes to school, most of his time is spent on cleaning the cattle shed, fetching water from the public taps for the farmer. The situation is getting worse day by day, which is why TAL sponsorship is needed to save his life and his future.
