Her parents owed money to the local money lenders, they mortagaged all their property towards their loan repayment, but still other money lenders were after them. Unable to face the money lenders, dad migrated to different town to find suitable work but has not been successful even after one year of him going away from the family.

Her mom works in the farm for a meager wages of \$ 1.25 per day, which is not at all sufficient to feed her family. Arpita sometimes accompany her mom to work, so as to supplement her mom;s wages and sometimes goes to work at a landlord's house as baby sitter. Which means she cannot afford to go to school? It is a conspiracy that the rich farmers want poor christain children to remain childlabor, illiterate so as tp giard them in poverty for the rest of her life.
