Please write a story about how the child became orphaned or destitute or abandoned. (Make it as detailed as possible and use additional paper if necessary.)

Both of her parents are laborers and are under the control of two different landlords, from whom they borrowed money on high interest, which is increasing every month. The wages they earn on daily basis, mom's wage is brought home while dad's wages directly goes towards payment of interest and not towards the capital.

As such the capital remains the same for years, which means they both cannot free themselves from the clutches. The chances are, ranjani may also fall in line to the landlords and work along with her parents to reduce the burden of interest payment. Even now whenever either of her parents are sick, she fills for them in the work. Even if her labor means so little, it does make no sense to the moneylenders, they want cheap labor force.

The one solace for her parents is that they know Jesus as their Lord, which is the driving force and another reason why the landlord does not show any mercy towards them.
